

Chapter 9
These 5 People, Again

This is the first time you've been the one to invite me to meet offline, right?

Yeah...

...I just can't stay calm... at home...

clink

Me too. I don't know what to do anymore...

...Hey, Rin-Rin.

So I'm a bit relieved

to be able to see you like this.

Saying something like that...

You didn't!

Did I... cross the line with what I said back then?

...then... they would have found out eventually...

...If Yukina-san... really was planning on giving up Roselia...

Hey, Rin-rin, look at this.

That's.....

So... is Roselia gonna disband...?

Yeah.

.....You
recorded
a new
video...

...This
video...

...I'm
there...
too.....

...I just...
don't know
what to do.

I'm
scared...

But if we
see each
other again,

we might
just all
separate
like last
time...

But I want
to see
everyone
again like
this...

On that day...
I got really
angry and
ran out of
the studio...

But...
I was...

That
might.....
indeed
happen.

I was able
to change,
with these
people.

More...
and
more...

...I want
to keep
playing
music.

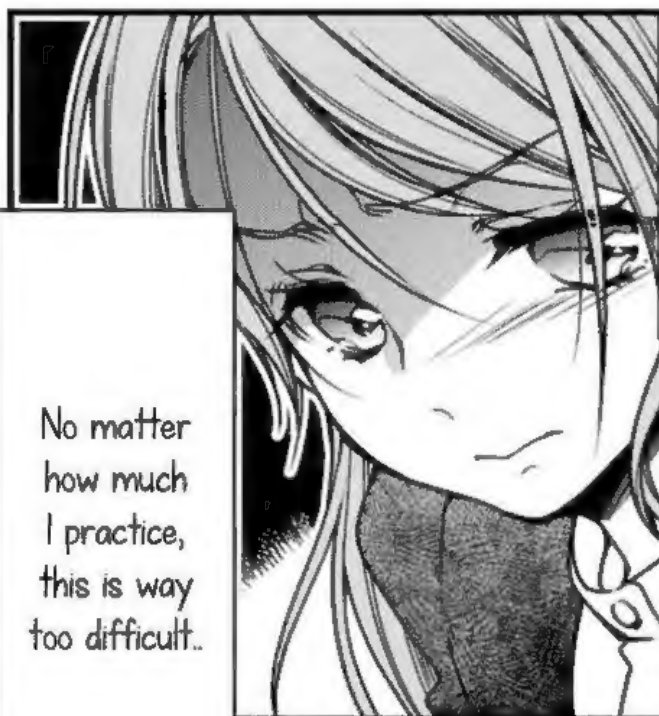

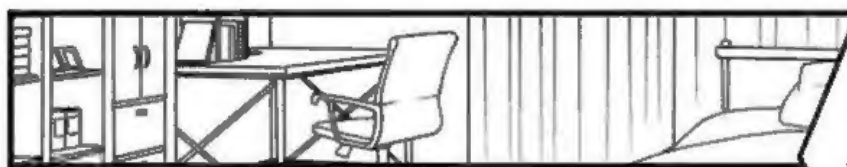

!

...Yeah!

...You're
right!

So... I
want us
to think
about...

...what we
can do to help
fix things...
...together.

No matter how much I practice, this is way too difficult..

It's no good...

Huh?
You're
done
playing?

.....

Even if...
Roselia
ends up
disbanding...

But...
This is all I
have left...

I'm not in
the room.
The door's
just open.....

.....Hina.

I've already
told you to not
come into my
room without
asking.

?

Your
explanations
always make
little sense.

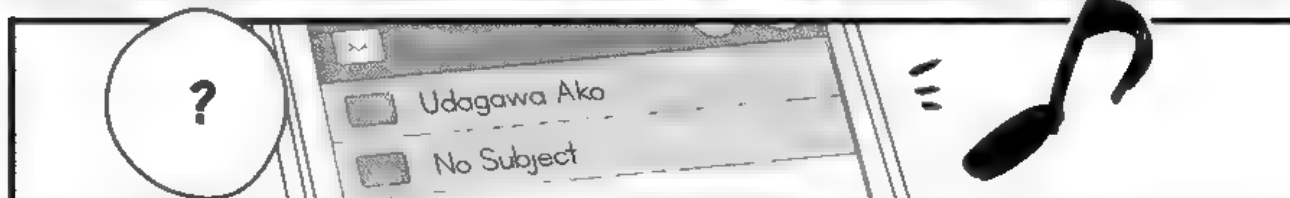

...The
sound of
your guitar
kinda

☆
sounds
more like
you now.

What exactly is it you're apologizing for?

It was improper behavior as a band member

First of all, I'm sorry for the other day.

Uh?

So...
...what you're saying is...

I turned down the scouting offer.

I couldn't understand how I really felt,

or appreciate the relationship I have with you all.

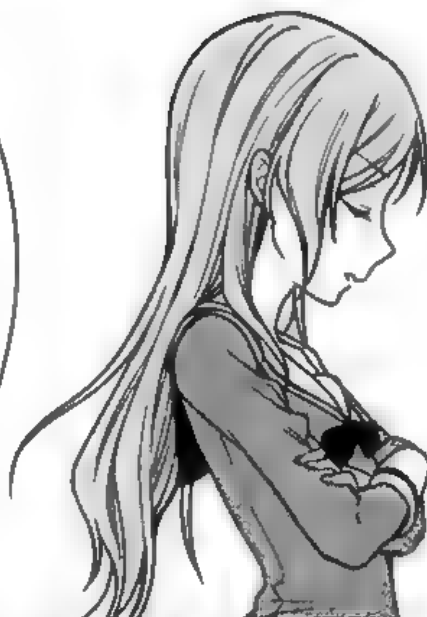

...!!

For that, I apologize.

rather than
as "band
members"
hasn't
changed,
has it?

the fact
that you
gathered us
as "a means
to enter the
contest,"

..Even if
you did.

so it's only
natural to
criticize me
as such.

I admit,
that hasn't
changed.

..Stop it,
Lisa.

**SAYO...
DON'T
SAY IT
LIKE
THAT!**

**IN... IN
THAT CASE,
I'M PARTLY
RESPONSIBLE
AS WELL!**

But I still
couldn't do a
thing about
the scouting
offer...

watching
you
patiently...

I was...
always
just

has been
for the sole
purpose of
performing
in FUTURE
WORLD
FES

It's just as
Sayo says..
Everything
I've done
until now

.. I don't
understand
your intentions,
Minato-san.

FUTURE
WORLD
FES is
indeed
the top..
It's
something
I've also
been
aspiring
towards.

has been
for the
sake of
entering
Fes..

I'm sorry,
but if
everything
you've been
doing

...However,
Minato-san.

...So that means...

Exactly

We've been disposable since the start.

That's what it comes down to.

Sayo, THAT'S....!

THAT'S NOT TRUE!

That means you have no vision for

what comes after Fes.

Before
I knew it...
...more than
for my
father's
sake.....

That may
have been
the case
while I was
searching
for
members...!

But.....

After
finding
Sayo...
...and after
everyone
joined the
band...

.....Your
father?

YUKINA...

...It's...
a bit of
a long
story.

In reality,
I'm someone...

who had only
been using
music for her
own personal
affair

Your...
personal
affair ?

So that was...
...your father....

That band...
...I've seen
them in a
magazine
before.

They were
pretty
famous in
the Indie
rock era.

I couldn't put it
into words the
other day...
but I will take
responsibility
for my actions

I formed
Roselia
while hiding
my true
motives,
and
deceived
you all for
my own
sake....

I think I should
be removed
from Roselia.

YUKINA....

...BUT!!

Th-...
That's
right!

...to either
start or
continue
playing
music?

Besides,
doesn't
everyone
here have
their own
personal
motives.

...Well,
I guess
it goes
without
saying♪

And I
wanted
to be
with...

Ehe~
☆

I too.
...wanted to.....
...change myself
somehow...

I started
drumming
because
I wanted
to be like
my sister!

We all have
our own ideals
we hold onto.

And it's precisely
because we can't
bear to lose them
that we have
them, right?

So we have
no choice but
to continue
as we are...

...don't
you think?

Besides...

Sayo...

I also want
to perform
with the
five of us
"again."

**A sign of
Roselia
getting back
together!?**

Hm?

Could
this be...

We never
disbanded.

Is that
okay with
everyone?

Ahem

We'll still be
entering the
FUTURE
WORLD FES
contest as
Roselia...

**Of
course!**

...Everyone...
